NIVEAU 2

Een slak in een bak

Wat rijmt op slak? Kijk naar elke tekening en zeg de naam van het ding. Rijmt het? Teken er dan een oranje cirkel om.

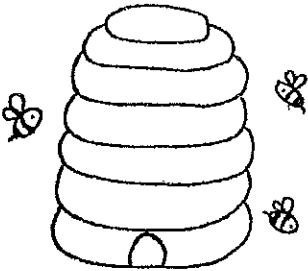

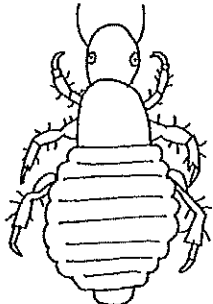

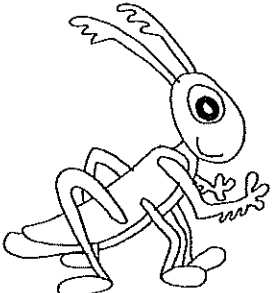

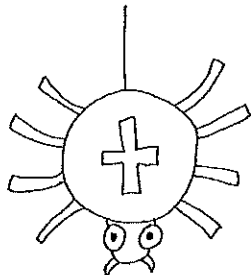

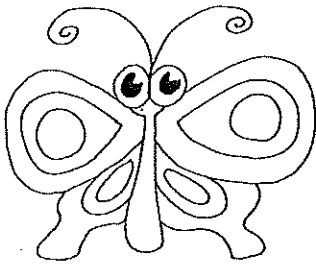

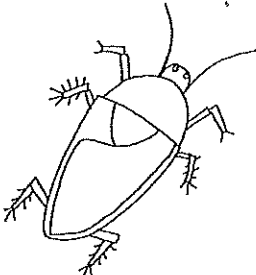

ik speel met taal

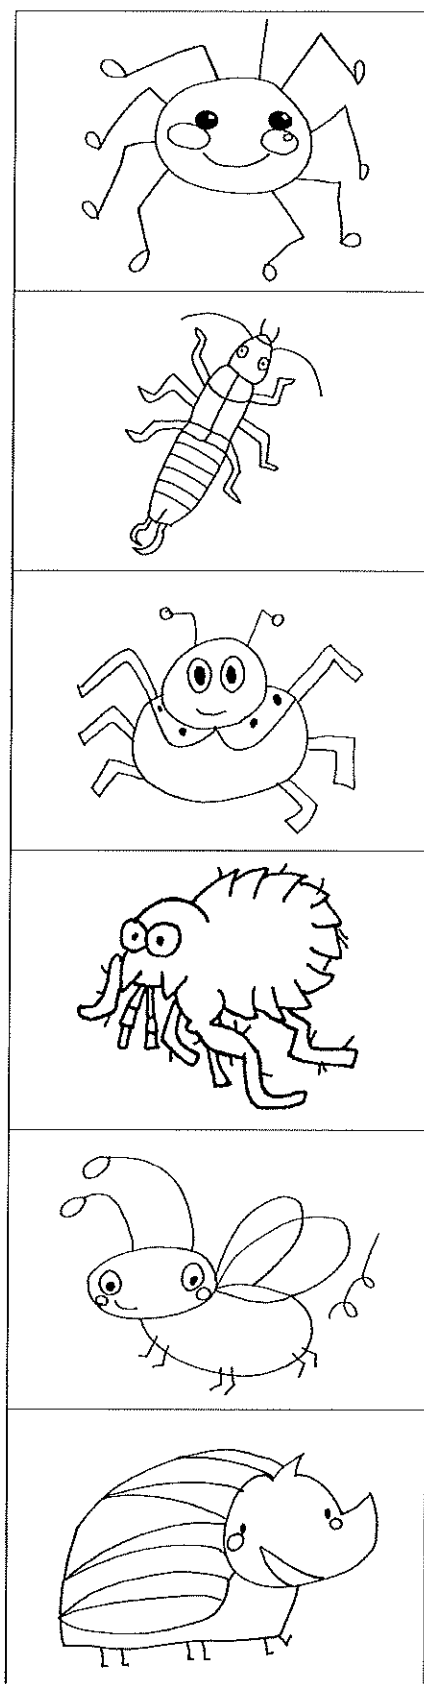

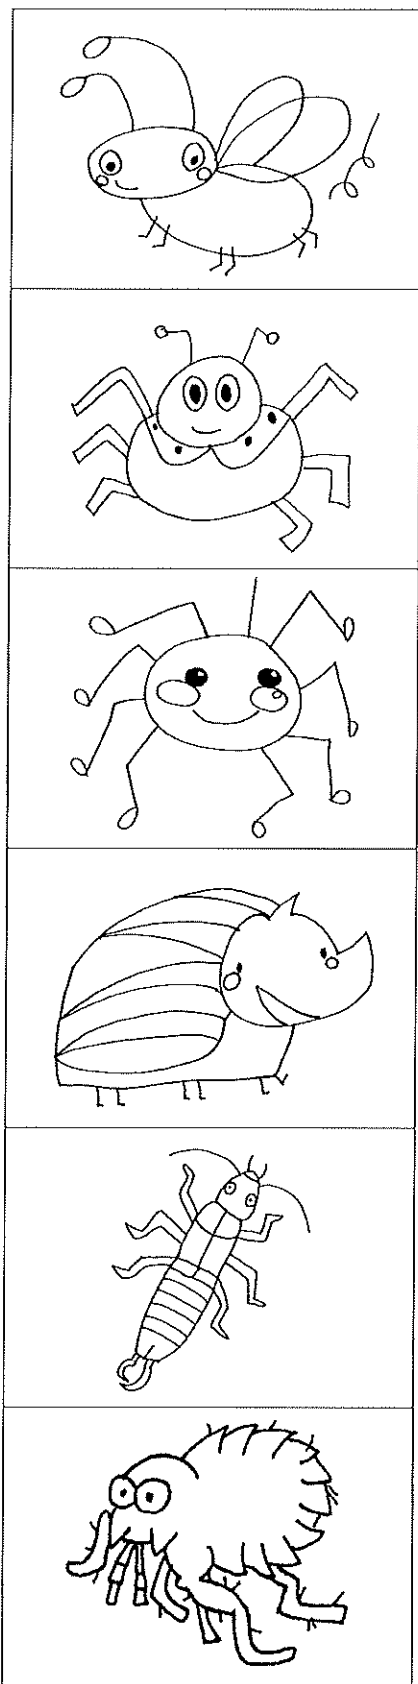

Oplossing: tak, zak, slak, pak, dak, hak.

Kleur voor elke lettergreep een stip.

 bienkorf	 bladluis	 krekel
☐ ☐ ☐ ☐ ☐	☐ ☐ ☐ ☐ ☐	☐ ☐ ☐ ☐ ☐

 spin	 vlinder	 kakkerlak
☐ ☐ ☐ ☐ ☐	☐ ☐ ☐ ☐ ☐	☐ ☐ ☐ ☐ ☐

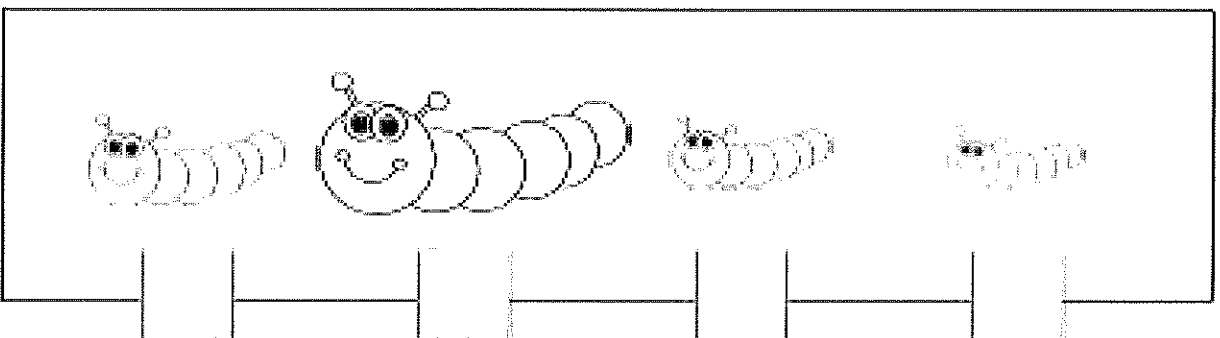

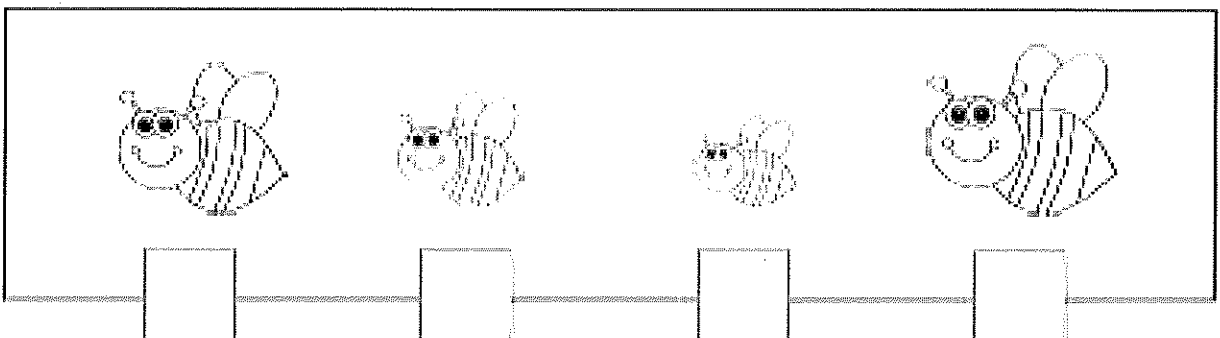

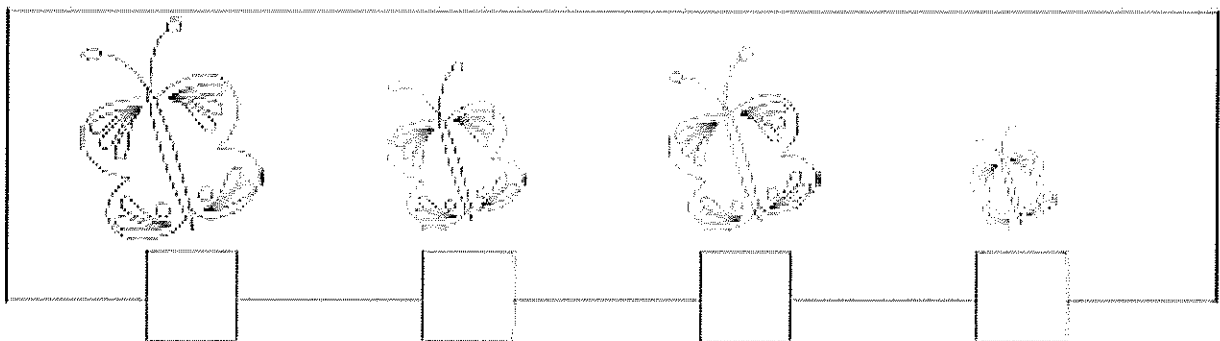

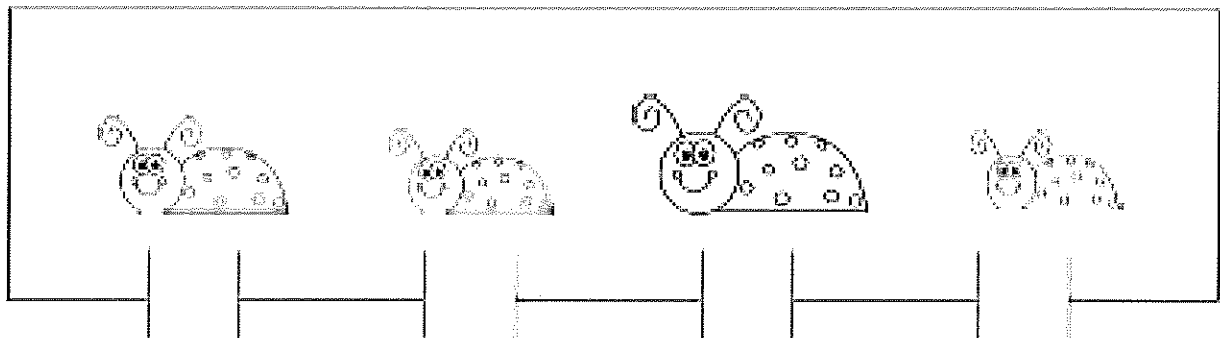

Verbind dezelfde plaatjes.

NIVEAU 2

Grote en kleine gezinnen

Teken met een gele stift een cirkel om alle kleine gele slakjes.
Hoeveel tel je er? Teken evenveel stippen in het vak achter
de gele mamaslak. Tel zo de kleintjes van elke mamaslak!

ik reken, tel en meet

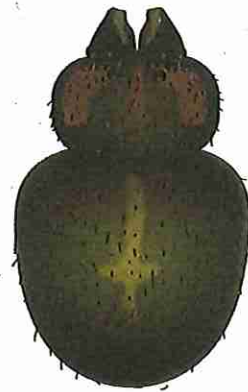

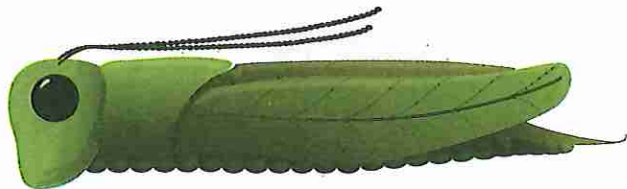

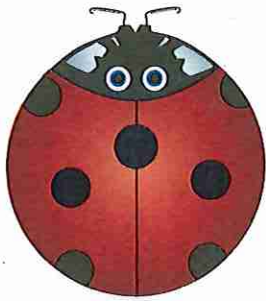

Activity area with four rows of snails and counting boxes:

- Row 1: Large yellow snail (mama) with an empty yellow box next to it. 1 small yellow snail (kleintje).
- Row 2: Large red snail (mama) with an empty red box next to it. 2 small red snails (kleintjes).
- Row 3: Large green snail (mama) with an empty green box next to it. 3 small green snails (kleintjes).
- Row 4: Large orange snail (mama) with an empty orange box next to it. 2 small orange snails (kleintjes).

Each row contains a large snail (mama) and several small snails (kleintjes) of the same color. The boxes are intended for the child to draw dots representing the number of small snails.

POTIGE BEESTJES

Weet jij een leuke tip om insecten te herkennen? Ze hebben altijd zes poten! Hoeveel poten hebben andere dieren? Geef elk insect zes poten: drie aan elke kant. Let op: er is een indringer bij! Weet jij wie dat is? Hoeveel poten heeft die?

Vlinderstukjes

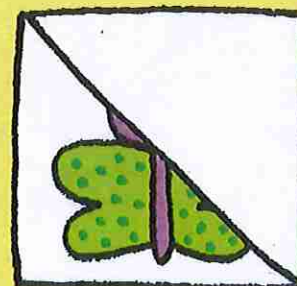

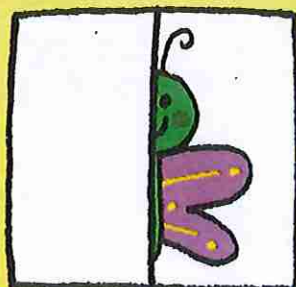

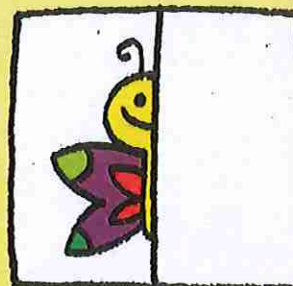

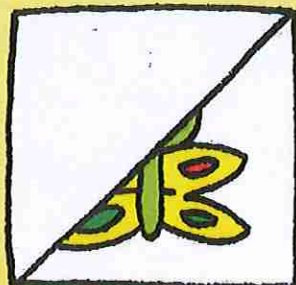

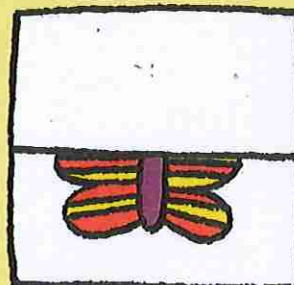

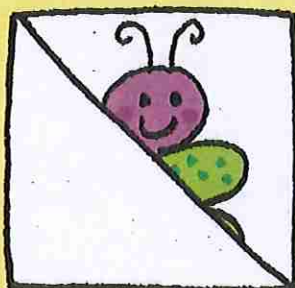

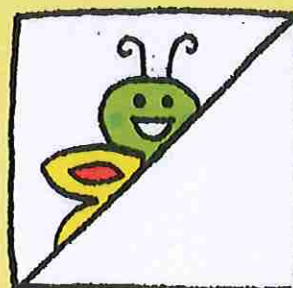

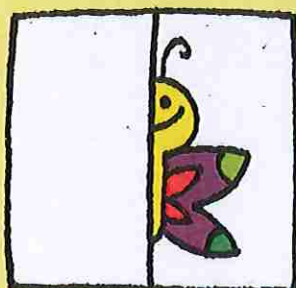

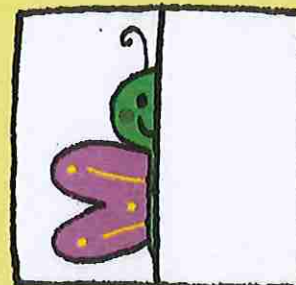

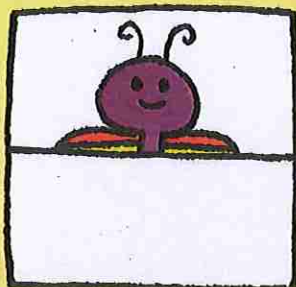

NIVEAU 2

Maak de vlinders af.

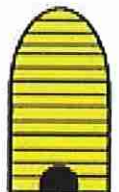

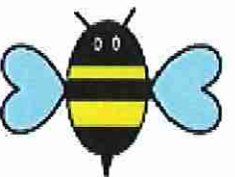

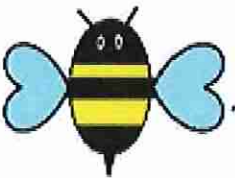

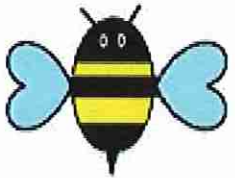

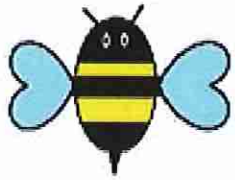

Verbind elk vlinderstukje links met zijn juiste stukje rechts.
